Would you like your local NSK Product Specialist to contact you to arrange free Care & Maintenance training to make sure you get the most out of your NSK instruments?

.....

Would you like information of our latest offers or specific information about any of the following NSK products?

- Turbines Contra/Angles Oral Hygiene Products
 Endodontic Products Surgical Products Maintenance Products

This is your printable version of the Prepaid label and Service Report Form for sending in Repairs or Loans to NSK. All you have to do is cut where indicated, stick the top section onto the package you are sending and fill out the bottom section with as much information as possible and include in package.

It is vital that you take the parcel to the Post Office, as they will mark your parcel as 'Special Delivery' and provide you with a receipt.

Failure to do this means that your equipment is not insured and you are liable for any non-tracked equipment until it is safely delivered to NSK.

If you are unsure or have any questions please don't hesitate to call.
