Ti-Max Z95L

TIME TO SWITCH

Speed Increasing Handpiece with unique spray function - Select between mist or jet spray. At the flick of a switch with the world's first two-way spray technology, select between traditional mist or water jet only. To further reduce aerosols the water jet provides maximum protection while still offering optimum cooling, then when conditions allow switching back to mist is a breeze. No equipment modification is needed, put the control back in your hands.

MODEL Z95L
